

# Outlook into PHAC's investments of the JCSH

- Since the inception of the JCSH in 2005, PHAC has funded the JCSH through an annual grant of \$250,000
- Under the proposed new mandate for 2020-2025, PHAC would fund the JCSH through an annual grant of \$150,000
- PHAC has the opportunity to direct the balance of \$100,000 annually to other initiatives aligning with JCSH priorities
- How can PHAC investments align with JCSH Health and Education priorities?
